6 CME
CREDITS

PROGRAM

FRIDAY, DECEMBER 2ND

10.00 *Participant's registration and welcome coffee*

SESSION 1

Chairs: Fortunato Ciardiello, Stefano Cascinu

11.00 **Introduction**

Fortunato Ciardiello, Stefano Cascinu

11.15 **The changing paradigm in immuno-oncology: the past vs future in the treatment of gastrointestinal cancers**

Scott Kopetz

11.45 **Changing dynamics in treatment of MSI-H cancers**

Fortunato Ciardiello

12.15 **Changing dynamics in treatment of Upper GI cancers**

Stefano Cascinu

12.45 **Panel discussion**

Fortunato Ciardiello, Stefano Cascinu

13.10 *Light Lunch*

SESSION 2

Chairs: Maria Di Bartolomeo, Sara Lonardi

14.10 **Treatment in early stages of Upper GI cancer: where are we?**

Ferdinando De Vita

14.30 **The role of biomarkers in GI cancers treatment**

Renato Franco

15.00 **Immunotherapy in GI cancers: open questions**

Scott Kopetz

15.30 **Integrating IO into clinical practice: management of toxicities**

Sara Lonardi

16.00 **Integrating IO into clinical practice: nutritional and supportive care**

Stefano Cascinu

16.30 **Interactive clinical cases**

Maria Di Bartolomeo, Sara Lonardi

17.45 **Concluding remarks**

Fortunato Ciardiello, Stefano Cascinu

18.00 **Meeting adjourn**

RATIONALE

This one-day program is intended to create an opportunity for HCPs to participate in a scientific exchange of ideas on issues significant to gastrointestinal cancers, in particular colorectal and gastroesophageal cancers. Key scientific leaders serving on the faculty panel will discuss a wide range of topics relating to gastrointestinal cancers.

TARGET AUDIENCE

This meeting is addressed to physicians specialized in oncology, radiology, radiotherapy, internal medicine, anatomic pathology, general surgery and biologists.

ECM

Based on the regulations approved by the CNFC, Accademia Nazionale di Medicina (provider n. 31) assigns **6 CME credits** to the activity (31-364338)

Training objective: professional and technical content (knowledge and skills) specific to each profession, specialisation and highly specialised activity. Rare disease.

The credit certification for the event is subject to:

- Professions/specializations should correspond to those which have been accredited for CME
- attendance at the 90% of the meeting;
- completion of the Meeting evaluation online form;
- successful completion of the online learning test (questionnaire, at least 75% correct answers). The test must be completed within 3 days of the conclusion of the event, only 1 attempt admitted.

HOW TO PARTICIPATE

The course will be held both as in-class course and as a live webinar.

When registering, it is necessary to select the desired participation method, until exhaustion of available places.

Registration for the activity can only take place online, no registrations will be accepted at the congress venue.

For the current safety regulations, please refer to the page fad.accmed.org/sicurezza

REGISTRATION

Registration to the course is free, places available are limited.

It is possible to register online at the address <https://fad.accmed.org/course/info.php?id=1065> by **28 November 2022**.

Registration will be accepted in the chronological order of arrival and will be confirmed by e-mail.
